Calling all volunteers

We are needing volunteers to help in the school canteen for 2014. All parents, grandparents, aunts, uncles and people from our community are welcome.

How the canteen works is that all our preparation is done in the senior canteen and then transported to the junior canteen for packing and distributing to classrooms. The preparation work is done while the kids are in class and all volunteers of junior school children are welcome to go to the junior canteen so they can see their children at break times. All children love to see their relatives in the canteen, especially the younger ones.

If you can spare a day per month to help that would be great or if you can only spare an hour or two in the mornings when you drop the kids off this would be a big help as well.

If you are able to help in 2014 please contact Paula on 3491 4633 or by email at pmporter@bne.catholic.edu.au or leave your name and contact with Amanda at reception and I will contact you.

Thanking you in advance
Paula Porter
Canteen Convenor
